AWAY DOWN IN ALABAMA.

[To the Editor of the Interior Journal]. PRATTVILLE, ALA., Sept. 34, 1885 -I wrote you from Montgomery August 31st, the next day we went sight seeing in the city; visited the State House, a grand structure, situated on an eminence, and commanding a most excellent view of the city The streets of Montgomery are broad, containing many shade trees. We visited the bogs at \$4 20. They average 275 lbs., and hall of Representatives and the Senate chamber. In the former we saw the portrait of Gen. Clanton, of Confederate fame, and in the latter the face of W. R. King. an Alabamian, Ex-Vice President of the United States. Around this State House clus'er many memories of the early days of day) the Southern Confederacy, as Montgomery Clubs played here Friday when the Danwas the first capital of the nation that was villes won 13 to 4. The Danvilles are born of a dream, and is now spoken of as the Lost Cause. We visited the cemetery, but we have seen no "city of the dead" in the South that can begin to compare with "Cave Hill," of Louisville, or even Crab Orchard Cemetery on the hill. The foliage here grows rapidly and needs constant

From Montgomery to Prattville the distance is 14 miles, and no turnpikes, but we enjoyed the ride. Col. W. J. Smith and his son in-law, J. D. Proctor, formerly of Kentucky, met us in Montgomery and we have been most hospitably entertained at the home of Col. Smith, where we find his daughter, Mrs. Proctor, who was a classmate of ours in Kentucky. Mr. Proctor is in business in Mon'gomery-buying cotton for eastern merchants. He has rented a a plantation 24 miles from the city and will move his family there the first of November, and they will be glad to entertain any of their friends from Kentucky.

Mine host, Col. Smith, deserves more than a passing notice; his home is in the country 24 miles from Pratteville; here he has lived on his plantation of 1,500 acres, more than a quarter of a century. He is souled, and, if he had been some years younger, I am almost certain that my objections to marrying a widower might have been overcome, if he had asked me to take the name of Smith: -but "they say" he is going to have a new house erected this fall, gation who are going to hell on a blooded and I presume a "new wife" will share the mansion with him. Even in that event, I will tip my hat as I exclaim, "Col. Smith ing Mrs. Ruth McFerran, who is very ill. you have the best wishes of the 'little Kentuckian to whom you were so genial and kind.

We find her in a comfortable, handsome home, with a dear, good husband and two lovely children. Mr. Hurd is a druggist, has a large stock of drugs, a handsome store and I could but and a negro man.
